

It is day 28 of the contract. We need to send a message to the American people that we are serious about child support enforcement. Ignoring child support enforcement sends the wrong message. It says that the noncustodial parent who is one-half responsible for the birth of a child does not have any responsibility for supporting that child. We cannot send this message.

We need tough new penalties for those who refuse to pay such as wage withholding, suspension of drivers' and professional licenses, and property seizures.

It is day 28 of the contract. Child support is finally starting to receive the recognition it deserves. Let us not stop now. We have to work together to close the \$34 billion gap.

#### MORGAN COUNTY, WV, NEEDS ASSISTANCE FROM CONGRESS

The SPEAKER pro tempore (Mr. GILLMOR). Under the Speaker's announced policy of January 4, 1995, the gentleman from West Virginia [Mr. WISE] is recognized during morning business for 3 minutes.

Mr. WISE. Mr. Speaker, I come before you today to ask this body to help make government make some common sense.

Let me announce something to you right here: Last week by order of the Morgan County Commission, and Morgan County is a rural county about 2 hours' drive from here, a beautiful county, and Berkeley Springs many of you know for its waters, by action of the Morgan County Commission, Federal overflights are now prohibited in Morgan County airspace. Everyone laughs and says, "How can Morgan County do that?"

You understand, of course, the Morgan County Commission understands it cannot deny airspace. Only the Federal Aviation Administration can do that. It is trying to send a message, and the message is this: "Why will not the U.S. Air Force, the Air National Guard, pay the \$10,886.20 that it owes to the Morgan County Commission when the Morgan County Commission and the emergency responders in Morgan County responded to the Air Force's need?"

Basically the story is this. In 1992 we suffered a real tragedy in the eastern panhandle of our State, when one of the C-130's from the 167th Air Wing based in Martinsburg crashed in Morgan County. Six crewmen were killed.

The county and, of course, the entire eastern panhandle responded immediately with emergency response and all the cleanup that needed to be done afterward as well as reaching out to the families and to the 167th Air Wing. The air wing and the members of the 167th Air Wing are not at issue here. What is at issue is what some bureaucrats in Washington is telling the Morgan County Commission, that despite the effort, despite the spontaneity, despite the outreach, despite the consid-

erable resources expended by the Morgan County Commission by the emergency providers in Morgan County, the Air Force will not now reimburse \$10,886.20 for containment and cleanup of hazardous materials at that crash site.

This is not a county that can easily afford this kind of expenditure.

Now, what is the cost here, the \$10,886.20? For the Air Force it is going to be less than the litigation to litigate this issue. For the Air Force, it is going to be less than the public relations debacle that they are going to suffer. For the Air Force, I suspect it is probably less than five rivets on a B-2 bomber.

The problem with the Morgan County Commission is that when they submitted this voucher, they did not add enough zeroes. That is my opinion. If they had put two more zeroes, made it \$100,000, maybe made it \$10 million, probably somebody would have paid it without a blink of an eye. That sounds reasonable. They did not pad it, did not add zeroes, did not add to it. They just asked to be reimbursed for what they expended.

I am asking this body to help send a message to the Air Force. We think you owe Morgan County \$10,886.20. We think you ought to show the small and large communities across this country when they do respond you will be there to help them and to help reimburse them for their efforts. We think you ought to show Morgan County that, yes, they are entitled to this which they have waited 2 years for already and how many more years to go.

I ask this body's help in having the Air Force and the Air National Guard in Washington respond with some common sense.

I will keep you posted, Mr. Speaker, because I have a feeling this saga has not ended yet.

#### REPUBLICAN CONTRACT WITH AMERICA

(Mr. BOEHNER asked and was given permission to address the House for 1 minute.)

Mr. BOEHNER. Mr. Speaker, our Contract With America states; on the first day of our Congress, a Republican House will: Force Congress to live under the same laws as everyone else; cut one-third of committee staff; and cut the congressional budget; we have done that.

It goes on to state that in the first 100 days, we will vote on the following items: A balanced budget amendment—we have done this; unfunded mandates legislation, under consideration now, line-item veto; a new crime bill to stop violent criminals; welfare reform to encourage work, not dependence; family reinforcement to crack down on deadbeat dads and protect our children; tax cuts for families to lift Government's burden from middle-income Americans; national security restoration to protect our freedoms; Senior Citizens' Equity Act to allow our seniors to work without Government penalty; Government regulation and unfunded mandate reforms; commonsense legal reform to end frivolous lawsuits; and congressional term limits to make Congress a citizen legislature once again.

Mr. Speaker, this is our Contract With America.

#### THE PUNISHMENT IS NOT COMMENSURATE WITH THE CRIME
